BREW CITY MATCH AWARD DETAILS

TWO TYPES OF COMPETITIVE AWARDS

For the Brew City Match Business Owner Track, applicants compete for two types of awards: predevelopment awards and financial assistance awards.

1. Technical Assistance Awards

Business owner technical assistance will be awarded on a competitive basis to eligible property owners for business planning, financial management, and design assistance. Technical assistance awards include the following packages:

- Business planning
- Space

Please note that while each of these services offered through technical assistance awards has a value, the only money exchanged between Brew City Match and the awardees would be for winners selected for design services.

2. Financial Assistance Awards

Brew City Match applicants will have the opportunity to apply for financing to a panel of lending partners. To simplify the process, applicants will fill out one application that will be reviewed by four lending partners all at the same time. This allows you to save time while getting the best rates and terms possible. Brew City Match Lending partners include:

- MEDC
- LISC Milwaukee
- Hmong Wisconsin Chamber of Commerce
- WWBIC

Winners selected for lending will also receive a \$1K mini-grant to be used for business marketing, and also be considered for a \$5k design services grant.

Competitive grants for commercial property redevelopment are funded through Brew City Match and the City of Milwaukee's White Box, Façade, and Signage grant programs. These grants must be applied for in partnership with the building owner. They provide flexible funding to help fill the gap in commercial property build-out expenses. Brew City Match will issue monetary grants to qualified awardees based on the eligibility criteria. Matching grants can be used for exterior and interior renovations.

Grants are available for building owners and businesses that can't get any or all of the financing they need to complete the project. Grants are not a substitute for readily available financing. Grant funds are issued on a reimbursement basis. Only work begun **after** the approval of the Brew City Match review team will be eligible for grant funds.
